SOLARIA TRADING CO.,LTD

Company Profile

SOLARIA TRADING CO.,LTD. was established in 2006 and has a long history of foreign trade . The company mainly deals in second-hand construction machinery and equipment, including excavators, loaders, bulldozers, graders, reverse loaders, forklifts, trailers, trucks and other second-hand brand machinery. Sales to customers in different countries around the world.

The company currently has shops on Alibaba, Mascus, Made in China and other platforms. We have always been adhering to the principle of honesty and mutual benefit to provide customers with high-quality services and low-cost products.

We are a foreign trade company integrating sales and maintenance. It has a professional sales team and perfect after-sales service, as well as supporting maintenance workshops and technical personnel. At the same time, we cooperate with a number of shipping companies to ensure transportation efficiency.
